## **Universal USB Charging Adapter, 4-Port**

### **Manual 31811**

The ednet 4-Port Universal USB Charging Adapter allows you to quickly and efficiently charge up to four mobile devices at the same time, regardless of whether you're at home, in the office, or on the go. It works with all kinds of mobile devices, such as tablets, smartphones, cameras, speakers, etc. The total output is 20W, 5 V/4A (max.). Each port can provide up to 5 V/4A max. The smart USB ports identify what type of device is attached and deliver the required charging current.

## Features Technical

Weight	65g
Dimension	45*25*90mm
Input	100-240V AC 50-60Hz
Output	5V/4A, 20W
Over current protection	100-264V
Operating Temp.	-10-35°C
Certification	CE ROHS

## Package Content

- 1x Universal USB Charging Adapter, 4-Port
- 1x User manual

## Charging method

1. Connect the plug into a socket with 110-264V. The ednet USB wall charger (31811) is ready for use.
2. Smart USB ports: Automatically recognizes the connected devices and supplies an individual charging current
